Dear Treasurer:

This letter is prompted by the Commission's preliminary review of the report(s) referenced above. This notice requests information essential to full public disclosure of your federal election campaign finances. **Failure to adequately respond by the response date noted above could result in an audit or enforcement action.** Additional information is needed for the following 2 items:

1. Itemized disbursements must include a brief statement or description of why the disbursements were made. Please amend Schedule B supporting Line(s) 21(b) of your report to clarify the following description(s): "Merchandise Expense". For further guidance regarding acceptable purposes of disbursements, please refer to 11 CFR §104.3(b)(3)
2. Schedule F supporting Line 25 of your report discloses a coordinated expenditure(s) on behalf of **Barack Obama**, which appears to have been made after the general election date. Please be advised that if a service is provided or a communication is aired in one reporting period and the payment is made in a later reporting period, the coordinated expenditure should be reported as a memo entry on Schedule F when the service is provided or the communication is publicly disseminated or distributed, and on a Schedule D if it is a reportable debt under 11 CFR §104.11. When the payment for the coordinated expenditure is made, the report should show a payment on Schedule F and the same payment on Schedule D, if applicable.

Please amend your report to provide further clarifying information regarding the coordinated expenditures disclosed after the general election date.

**Please note, you will not receive an additional notice from the Commission on this matter.** Adequate responses must be received by the Commission on or before the due date noted above to be taken into consideration in determining whether audit action will be initiated. Failure to comply with the provisions of the Act may also result in an enforcement action against the committee. Any response submitted by your committee will be placed on the public record and will be considered by the Commission prior to taking enforcement action. **Requests for extensions of time in which to respond will not be considered.**

Electronic filers must file amendments (to include statements, designations and reports) in an electronic format and must submit an amended report in its entirety, rather than just those portions of the report that are being amended.
