Re: Amended June Monthly Report (5/1/08-5/31/08) filed on 7/19/08, Democracy for America, FEC Id. No. C00370007

Dear Ms. Fleming:

This is the response of Democracy for America (the Committee) to the Commissions request for additional information regarding the Committee s Amended June 2008 Monthly Report.

You have also requested that the Committee clarify a few of its expenditures, made for Advertising Expense on Schedule B, and specifically whether they were made in support of an identified federal candidate. In the cases noted, the Committees expenditures did not contain express advocacy for a federal candidate. As per the Instructions for FEC3X and Related Schedules, the Committee reported these disbursements as operating expenditures on Schedule B as appropriate. The Committee intends to always report contributions to candidates and parties, as instructed by FEC3X, on line 23 or 24.

Additionally, with respect to clarifying the nature of the transactions reported on Schedule H4 as Catering Expense these expenditures were not made on the behalf of candidates, and were not made for the purpose of fundraising for the Committee or candidates. These expenditures were for the Committees own generic political events. All of the Committees fundraising expenditures appear on Schedule B of its reports.

We hope that this information clarifies all of the questions that you have.

Sincerely,  
Arthur Berndt  
Treasurer
